### Yorkshire pudding

Preheat oven to 450<sup>a</sup> F

- 1 c. milk
- 1 c. eggs
- 1 c. flour

Mix well; butter a 12 cup standard muffin pan ( do not use vegetable oil for it makes them stick) and put in preheated oven for about 2 minutes (until the pan is smoking hot). Quickly pour batter into cups to two-thirds full and return to oven for 15-18 minutes until tops and bottoms are golden brown. Serve with "Bergen Traditional" roast beef and all the trimmings.
